

European Accessibility Summit Side Event

IAAP EU and EDF proudly present the European Accessibility Summit side event hosted by Microsoft

Free Hybrid Event June 2, 2022 @ 09:00 – 17:00 CEST

Join us in celebrating the collaboration between the International Association of Accessibility Professionals (IAAP) EU and the European Disability Forum (EDF), at the European Accessibility Summit Side Event 2022.

Hybrid Event on TEAMS platform
On-Site Event Location: Microsoft Center Brussels, Rue Montoyer 51, 1000 Brussels, Belgium [Map and directions](#). An exclusive limited circle of 50 people are invited to attend the in-person event due to pandemic restrictions. The virtual audience is expected to be between 500 and 1,000.

Event Description

The European accessibility market is growing fast, and the need for qualified professionals has never been more evident. IAAP experts share knowledge and support each other around the globe, they contribute to innovation and make the world more inclusive. Focusing on the specific European content, this accessibility event includes subject matter presentations, policy discussions, and expert panels.

We are excited to welcome you to the European Accessibility Summit Side Event 2022!
